

App Name	Murder at the Met: An American Art Mystery
Platform	iPhone/iPod Touch/Android
Cost	Gratis/Free
Creation Date	2012
Description	Attraverso questa app i visitatori vengono trasportati indietro nel tempo, al 1899, quando durante una serata di gala avviene l'assassinio misterioso di Virginie Gautreau, uno dei ritratti più belli del Museo. Durante la visita tutti i partecipanti diventano dei detective con lo scopo di riportare alla luce l'assassino. The fictional plot transports players back to an evening gala in 1899 and revolves around the murder of beautiful Virginie Gautreau, one of the Museum's best-known portraits. Participants in the tour take on the role of detectives to find the murderess.
